## **NLS**

Sending youth and adult members to NLS or Adult Member to DYLC is an excellent way for lodges to develop their leaders. Attendees will learn skills that are directly applicable to the situations they face locally and return home with a renewed passion for the OA program.

It is recommended that youth participants (for NLS) be at least 15 years of age or a lodge officer. Prior completion of a Lodge Leadership Development course for both youth and adult participants is suggested. The weekend will be challenging and exhausting as it is packed full of interactive sessions.

## **DYLC**

The Developing Youth Leadership Conference, or DYLC, is an intense weekend conference that provides the tools adult advisers need to mentor and develop outstanding youth leaders. DYLC builds upon the concepts presented at NLS, and it is encouraged that participants have completed the National Leadership Seminar, but not required. Participants will:

- Learn ways to help youth leaders problem solve & analyze situations.
- Practice coaching skills that help youth leaders reach their potential.
- Share best practices with OA adult advisers from across your Region.

### Your Chance to Help Philmont Get Ready for the 2020 Camping Season

Philmont and the Order of the Arrow are excited to offer OA PhilBreak 2020. This event will consist of a full week's work restoring Philmont's burned and unburned forests.
